

AFTER SCHOOL CLUBS 2021/2022

We believe in the importance of well-balanced students - those who continue to enrich themselves after their academic school day ends. Over the course of the year, ISCS offers a range of clubs and extracurricular activities that allow our learners to pursue their interests or to develop new skills. Covering a wide range of activities, our clubs are designed to support our students in developing valuable and transferable skills and, most importantly, help them to make new friends and have fun.
