

ISCS STUDENT DRESS CODE POLICY

The purpose of the school uniforms at ISCS is to foster in our students a sense of pride in themselves and their school, as well as to prepare students for future endeavours where smart dress is required. Cleanliness and neatness are important. Students are expected to come to school dressed in a manner that reflects proper fit, good grooming, moderation and refinement.

Our dress code guidelines indicate appropriate school dress during normal school days for every student. ISCS reserves the right to interpret these guidelines and/or make changes during the school year. Students are expected to follow these guidelines. All uniforms must be purchased from our provider.

Like punctuality and regular attendance, proper dress is a necessary component of the students' education. We rely on parents to cooperate with the school by following the dress code policy and sending their child/children to school wearing appropriate uniforms. We encourage parents and guardians to contact the school if they are unsure about any aspect of this policy.

Academic Uniform

Sports Uniform

Shoes

For health and safety reasons, students must wear closed shoes at all times. We recommend totally black sneakers or flat dress shoes.

Socks

Socks must be worn daily and must be black. Girls are allowed to wear black tights during winter time. Fishnet stockings, nude coloured tights or other inappropriate leg wear are not acceptable. Socks should be worn no higher than lower calf height.

Shirts

All shirts must be tucked in and purchased from the designated uniform company with the school's logo. Students may wear polo shirts with short or long sleeves bearing the school logo as normal school day wear. Only one solid white, grey, or black t-shirt may be worn underneath

the polo shirts. T-shirts may not be visible below the shirt hem or cuff. The polo shirt must be worn every day to school.

Bottoms

Primary and Secondary students must wear Navy bottoms (shorts, slacks, skirts). A-Level students may wear black or blue jeans. However, jeans must be properly fitted, not too tight and without rips.

Spandex or stretch pants of any kind are not allowed.

Key Points

- A-Level students are only required to wear the ISCS hoodies
- At no time are students to wear anything offensive, immodest or deemed inappropriate by the faculty.
- In Primary and Secondary School, all clothing should be labelled with the student's name.
- Parents of students in Early Years to Year 3 are encouraged to leave a Ziploc bag labelled with the child's name with a spare change of clothes in the classroom throughout the year for emergencies.
