**Switzerland beats Cameroon in the FIFA World Cup**

# MESSAGE FROM THE NGO

The NGO is currently working on some events that could take place in November, prior to the Christmas break. We have also recently added waffles to the kiosk and they are having great success. Additionally, last week 6 year 7 boys handled the kiosk and raised 250CHF.

Special thanks to Jasmine, Leya, Marina, and Olive for handling the kiosk.

-The NGO

**RECOMMENDATION**

## ENGINEERING CLUB

We have just found out that the Engineering Club is going to be participating in an online competition later this school year. Whereas the students are currently doing Robotics this month and including Learning how to code.

- Some students are doing Individual / Group projects:
  - (Marina, Jasmine, Laya, Olive) - Creating YouTube videos for those who don't have English in their country or are trying to learn English better
  - Divy and Insia - Are preparing for the competition with robots, that you can program and control programs, categories / challenges.

# MNEMONICS

AUTO

NO

MOUSSE

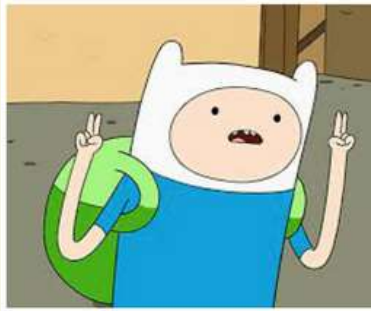

AUTONOMOUS

A useful trick for learning new vocabulary is to create drawings or pictures which you associate with the sounds/meaning of a new word. This method is called "Mnemonics."

Have a go at guessing the other word!  
*Hint: the word refers to a remarkable person or thing.*

Send your answer to [O8almaha.a@iscs-zug.ch](mailto:O8almaha.a@iscs-zug.ch) for housepoints!

Cut this out to create a collection of learning tips which will be added each month.

A **mnemonic** is an instructional strategy to help students improve their memory of useful information, such as vocabulary. A mnemonic uses rhymes, images, or an acronym to help students memorise and learn their vocabulary faster, and more efficiently. This kind of technique connects new learning to previous knowledge through the use of visual and, or acoustic signals.

TAX

This is an example of a mnemonic, the images represents different parts of the word Fantastic.

A good place to use a mnemonic would be in your vocabulary notebook in order to remember your vocabulary better.

# IGCSE ART

Students in our school have been producing spectacular work in art, which are open for viewing in the art room and the hallway. However, we have decided to put a special emphasis on IGCSE art, specifically Sarah and Jessica from Year 11, who have portrayed culture and tradition in their creative work.

## SARAH – JAPANESE CULTURE

Sarah is using her knowledge of Japanese tradition to create anime-themed art.

## JESSICA – BLACK BEAUTY

Jessica uses her art skills to portray her image of the beauty of black women. She uses flowers for symbolism and uses her sister as an idol and a example in her artwork.

# SHOUTOUTS

## TO LANGUAGE STUDENTS

SPANISH - MR SANTOS

YEAR 10 / SAIF For his outstanding Spanish skills and for taking his IGCSEs early.

GERMAN - MS LEPORE

YEAR 12 / KAY For surpassing expectations and being a model student

FRENCH - MS ORFORD

YEAR 8 / DANIEL For his enthusiasm and participation
