

Early Years

Shaping the future

The **Early Years** unit at ISCS is based on the **British National Curriculum** and it is characterised by:

Children learn in an **affectionate, calm and caring environment**, with continuous learning spaces both inside and outside the classroom, where they can explore, learn and grow.

Teaching is **100% in English**, so there is **total immersion**, where they become familiar with the English language from the beginning.

Learning is a **holistic process**, which promotes their **well-being**: play, work and rest coexist in the daily routine of the little ones.

The areas of learning are:

Communication
and Language

Physical
Development

Personal,
Social and
Emotional
Development

Literacy

Understanding
the World

Expressive
Arts and Design

Mathematics

"Since joining ISCS, Cody has flourished: he enjoys all the activities without even realising he is learning. Every morning he can't wait to go to school and this is thanks to loving and caring teachers and staff, who make us feel like we are their family."

Aleksandra (Cody's mum in Nursery)
