MESSAGE FROM HEAD OF EDUCATION

Dear ISCS Community,

This week has been filled with joy, emotion, and pride as we celebrated the graduations of our Early Years, Primary, and Secondary students. Each ceremony was a reminder of how much our students have grown, how far they have come, and how much potential they carry with them into the future.

To our graduates: always remember that success is not only about reaching the destination, but about how you travel the journey. Give your best in all you do, embrace challenges with confidence, and never stop believing in what you can achieve. You carry with you the values, experiences, and friendships that you have built during your time in the previous step—and these will continue to guide and support you as you take your next steps.

None of this would be possible without the unwavering support of our families and the tireless dedication of our team. To our parents and guardians, thank you for walking this journey with us. And to every member of our staff, thank you for the care, passion, and hard work you bring into school each day. It is together that we create the kind of environment where our students can thrive.

Wishing you all a wonderful weekend as we look ahead to the final weeks of the school year, with much to celebrate and be proud of.

Warm regards,

Mr. Soto
