MESSAGE FROM HEAD OF EDUCATION

Dear ISCS Community,

As we return from the October break, I am delighted to welcome our students back to ISCS – The British School of Zug. Their return fills our school with renewed energy, warmth, and purpose. It is truly their presence that brings life to our community, reminding us each day why we are here—to guide, to nurture, and to inspire.

Our students stand at the heart of the ISCS family. They are the reason our corridors echo with enthusiasm and our classrooms resonate with curiosity. Each of them contributes in a unique way to the spirit of respect, kindness, and collaboration that defines our school. It is through their engagement and character that ISCS continues to flourish as a place of learning and belonging.

As we begin this new half-term, I encourage all members of our community to continue supporting one another and to embrace the opportunities that lie ahead. Together, we will ensure that ISCS remains not only a school of academic excellence but also a home where every student feels valued, supported, and inspired to achieve their best.

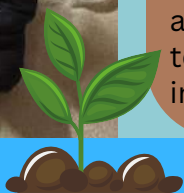

I wish everyone a lovely weekend.

Warm regards,

Mr. Soto

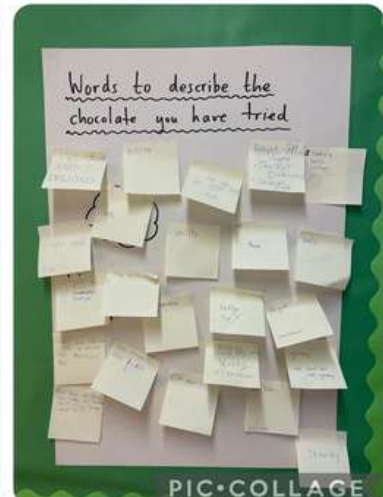

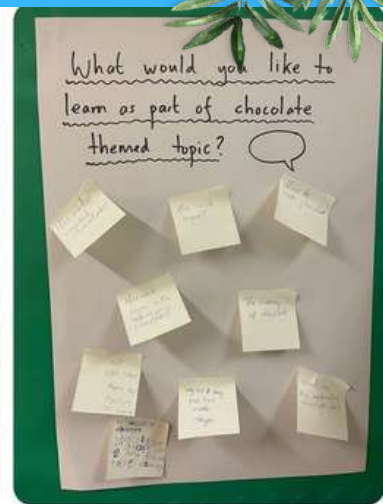

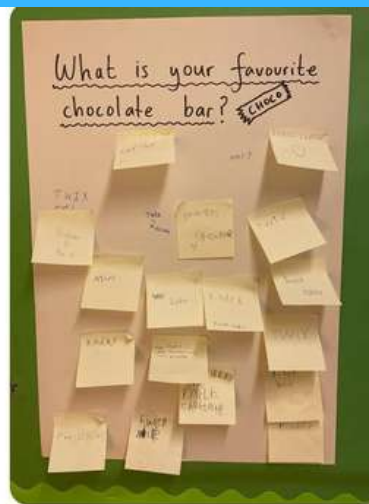

PRIMARY SCHOOL

To start our new half term and to begin our From Bean to Bar unit, the Primary children enjoyed a special chocolate-themed topic hook, immersing themselves once again in a range of awesome and engaging activities.

Following this, we have a Primary visit to a chocolate factory coming up. Students will be learning how to make chocolate – and making some themselves – before pulling everything together for a special themed day, where parents will be invited into school!

PRIMARY SCHOOL

All of this has been possible because we have an amazing, superbly dedicated, and creative team of wonderful teachers in Primary! Looking ahead, we have many exciting events on the horizon – the next being our Halloween Disco, for which our fantastic Parent Organisation (PO) is busy decorating various areas of the school. Thank you all very much for everything you do for our wonderful school.

Roll on our spooky, special edition of the newsletter next week! Until then – over and out...

Kind and warm regards,
Count Dracula Orwin

- RESPECT -

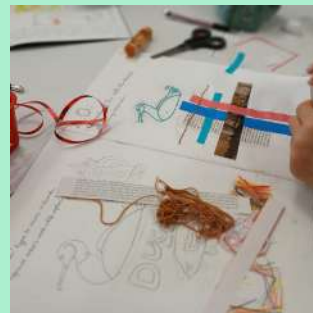

MIDDLE SCHOOL ART

This term, our Art and Design KS3 students have been working under the following themes 'Marks and textures', 'Traditional vs Contemporary Portraiture', and 'Urban and Nature dialogues'. From initial explorations of main visual elements such as line and colour using different materials and techniques by y7s, to different visual representations within the portraiture genre in response to artists' works by y8s, and to learning about urban sketching skills and knowledge of photographic principles with y9s. Excellent 'work in progress' artworks by our students! and looking forward to more during the second half of the Autumn term.

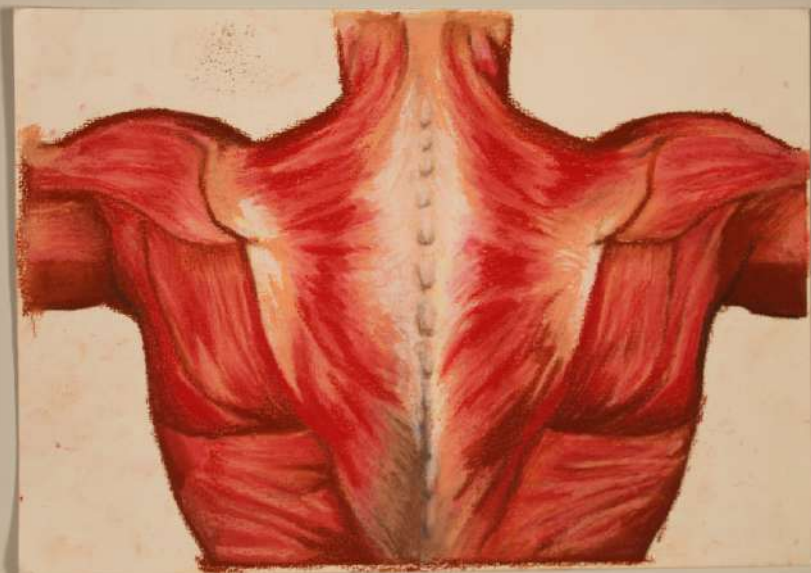

MIDDLE SCHOOL

ART

HIGH SCHOOL

This term, our IGCSE Y10 Art and Design students have started working on a series of mini-briefs to develop foundation skills and knowledge in preparation for the first project due to start in January. Our Y11s to the A Level Y13s are continuing with their component 1 projects which are due for completion by the end of the term. Here are some of their inspiring work in progress pieces.
