MESSAGE FROM HEAD OF EDUCATION

Dear ISCS Community,

Past Monday, we had the joy of celebrating Mother's Day together with our special "Muffins with Mothers" gathering – a beautiful opportunity to recognise and thank the incredible mothers who are such an essential part of our community and our lives.

Mothers have always played a fundamental role throughout history: as guides, educators, protectors, and the heart of every family. Through their love, sacrifice, strength, and dedication, they transmit the values that shape us as people and support us every step of the way in our education and personal growth.

Their presence is an irreplaceable pillar in every home, inspiring generations with compassion, resilience, and unconditional love. This celebration reminded us how important it is to honor and appreciate everything mothers do, often quietly and selflessly, every single day.

I would also like to express our sincere gratitude to our Parents' Organisation (PO) for their cooperation, dedication, and wonderful work in organising the past Monday's "Muffins with Mothers" event. Their support and commitment helped make this celebration such a warm and memorable occasion for everyone.

Today, I would especially like to send all my love and gratitude to my mother, and to all the mothers in our school community and in the world. Thank you for your endless care, wisdom, and love that make our lives brighter and our communities stronger.

I would like to thank everyone for the continued trust and support, and wish every member of our school family a fantastic Ascension break.

Warm regards,

Mr. Soto.

PRIMARY SCHOOL MOTHERS' DAY

"Motherhood has taught me the meaning of living in the moment and being at peace. Children don't think about yesterday, and they don't think about tomorrow. They just exist in the moment."

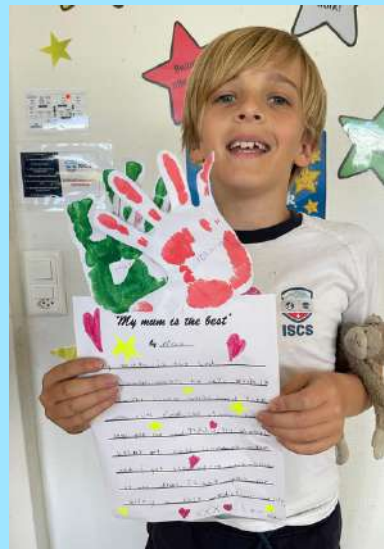

-Jessalyn Gilsig

To all our wonderful Mothers,

There is a great joy in being with children, who exist in the moment so purely. Let us all continue to find a great happiness in doing so together. We are blessed to be able to educate, nurture and hopefully inspire your little ones - your most treasured possessions. On your special day, we wish you all a lovely Mothers Day.

Thank you for joining us to celebrate!

Mr Orwin & The Primary Team

PRIMARY SCHOOL MOTHERS' DAY

KS1 SUMMER SHOW

KS1 SUMMER SHOW

MIDDLE SCHOOL

The moment we have all been waiting for is almost here - our school musical Annie Junior! is just around the corner, and it is sure to be a night full of fun, laughter, and unforgettable performances from across Primary, Middle and High school! Our talented students have been working hard to bring this exciting show to life, and we cannot wait to share it with you. With beautiful music, a gripping storyline and of course, our incredible student talent, it will be an evening you will not want to miss.

Details of the Show as follows:

Date: Friday 22nd May 2026

Time: 17:30 - 19:30 (welcome apero will be available from 16:30)

Venue: Pfarreiheim Theatre, Kirchbühl 10, 6330, Cham Tickets: 3 CHF (available to purchase from school reception front desk).

All donations received will be split between our three chosen charities for this school year: Action Aid, Best Friends Animal Society and Doctors Without Borders MA.

As seating is unreserved, we recommend arriving a little earlier to secure your ideal spot and do not forget to take advantage of our welcome drinks and snacks before the show kicks off - it is a perfect way to get into the spirit of the evening. Our students have put their heart and soul into this performance, and we know you will enjoy every minute of it. So come along, bring your family and friends, and get ready for an evening filled with music, joy, and the magic of Annie Junior!

Looking forward to seeing you there.

Dear Parents and Pupils,

With exams coming up and a long break ahead, one of my biggest recommendations is to spend time outdoors and stay active together as a family.

Pupils have really enjoyed basketball recently in our lessons on our own brand new sports court, and it has been great seeing their confidence, teamwork, and skills improve each week. Switzerland has so many beautiful outdoor courts, which makes basketball a perfect activity for families to enjoy together during the holidays.

I hope pupils will take the chance to show their parents, siblings, and friends all the tricks, dribbling moves, and basketball steps they have been learning at school. I have no doubt there will be plenty of enthusiastic matches, competitive parents, and maybe even a few dramatic celebrations after successful shots!

Exams are important, but so is balance, fresh air, and quality family time. A game outside together can often be the perfect way to recharge and enjoy the break.

Good luck with the exams and enjoy the break!

Best wishes,
Ms Booth
