## MESSAGE FROM HEAD OF EDUCATION

Dear ISCS Community,

As we approach the end of another wonderful school year, this final week perfectly reflects what ISCS stands for: learning beyond the classroom, personal growth, and building lifelong memories together.

Our Activities Week highlights the importance we place on holistic education, providing students with opportunities to develop confidence, independence, teamwork, and resilience through meaningful experiences. In addition to this, this week, our Primary students are embracing the challenges and excitement of Mountain Adventure, our Middle School students are exploring the rich history, culture, and heritage of Rome, while our High School students are enjoying an extraordinary international experience in China, broadening their global perspectives and deepening their understanding of the world around them.

These experiences are an essential part of our educational philosophy. Alongside academic excellence, we believe in creating opportunities that inspire curiosity, strengthen relationships, foster a sense of belonging, and help our students grow into confident, compassionate, and globally minded individuals.

I would like to thank everyone for the continued trust and support, and wish every member of our school family a fantastic and restful Summer.

Warm regards,

Mr. Soto.

# 2026

We celebrated a significant milestone in the lives of our Year 6 students as they graduated from primary school and prepared to begin the next stage of their educational journey.

Graduation is always a special occasion, providing an opportunity to reflect on the many experiences, achievements, and memories that have shaped our students during their time in primary school. Throughout the year, the Year 6 cohort has demonstrated resilience, determination, kindness, and a commitment to learning. They have embraced challenges, supported one another, and grown both academically and personally.

The ceremony was a wonderful opportunity for students, families, and staff to come together and celebrate the accomplishments of this remarkable group of young people. As they leave primary school behind, they do so with the skills, confidence, and character needed to succeed in the years ahead.

We are incredibly proud of everything our Year 6 students have achieved and grateful for the support of their families throughout their journey. We wish each of them every success and happiness as they move on to secondary school and begin an exciting new chapter.

Congratulations, Year 6 Class of 2026!  
Mr McVey

# ACTIVITIES WEEK

This week, students enjoyed an exciting and varied Activities Week, stepping away from their normal timetables to take part in a wide range of experiences designed to develop new skills, build friendships, and create lasting memories.

Across the four days, students embraced opportunities that catered to a diverse range of interests and talents. Some took on physical challenges, including a Via Ferrata adventure in Engelberg and the World Cup football tournament. Others explored the outdoors through visits to Cham Badi, Zurich Zoo, and a Forest Nature Treasure Hunt.

Creativity flourished through activities such as Friendship Bracelets and Name Garland making, Crochet, Henna Art, Mandala Colouring, a Japanese Culture Workshop, and a Stencilling Workshop. Students also enjoyed opportunities to showcase their talents through Karaoke and Computer Gaming competitions, while others developed practical life skills in the First Aid Basics workshop and the Skills to Grill BBQ experience.

Our cultural and educational excursions provided memorable experiences beyond the classroom, with students visiting the Transport Museum in Lucerne, and enjoying a cinema and picnic outing in Zug. Mini Golf proved a popular choice, combining teamwork, fun, and friendly competition.

Activities Week is always a highlight of the school calendar because it allows students to learn in different environments, challenge themselves, and strengthen relationships with peers and staff. The enthusiasm, participation, and positive attitudes demonstrated by our students throughout the week were truly commendable.

A special thank you goes to all members of staff who planned, organised, supervised, and led the many activities on offer. The success of the week was made possible through their dedication, creativity, and willingness to provide such a broad range of opportunities for our students. We are incredibly grateful for the time and effort invested in making Activities Week 2026 such an enjoyable and memorable experience for everyone involved.

# A-LEVEL GRADUATION

On 5 June, the ISCS community came together to celebrate the graduation of our Year 13 students as they marked the culmination of their A Level journey. The evening was filled with reflection, gratitude, and celebration, beginning with inspiring words from Mr Soto and heartfelt speeches from graduates Almaha Alabdulmohsin and Giorgia Verolino. Families, staff, and students enjoyed a montage of memories, musical performances by Louis Griffiths, Mr Collins, and Mr Turner, and touching messages of congratulations from across the school community. The ceremony concluded with the presentation of diplomas, reflections from Ms Predouli and Mr Parra, and the traditional cap toss, symbolising both achievement and the exciting opportunities that lie ahead. We congratulate the Class of 2026 and wish them every success as they embark on the next chapter of their lives.

# 2026

# IGCSE GRADUATION

The following evening, ISCS proudly celebrated the graduation of our Year 11 students as they completed their IGCSE studies and prepared for the next stage of their educational journey. The ceremony featured reflections from Mr Soto, a montage of memorable moments from the year, and thoughtful speeches from graduates Marcos Alvarez and Tal Nataf. Guests were treated to a wonderful musical performance by Abigail Jarvis, Mr Collins, and Mr Turner, while parents and staff shared words of encouragement and support. A highlight of the evening was the presentation of diplomas, recognising the hard work, perseverance, and growth demonstrated by each student throughout their time in Year 11. The celebration concluded with the traditional cap toss and a reception with families and staff, providing a fitting end to a memorable occasion. Congratulations to our Year 11 graduates as they take their next steps into Key Stage 5 and beyond.
