HOUSE POINTS

Dear ISCS Community,

Welcome to the first newsletter of the 2026/27 school year.

It has been wonderful to see the school come back to life this week, with students reconnecting with friends, new families joining our community, and classrooms once again filled with energy and curiosity.

At ISCS, we remain committed to being a family school where every student is known, valued and supported. This year, one of our strongest priorities will be individual academic development. One of our core values is excellence. But excellence does not mean expecting every student to follow the same path. It means understanding each student's strengths and needs, setting ambitious goals, and providing the right challenge and support to help them achieve their full potential.

Our focus will therefore be on strong academic progress, individual guidance, independence in learning and high expectations, while continuing to nurture wellbeing, confidence and a strong sense of belonging.

There will be of course many opportunities to ensure students vibrate together with the school. Activities, assemblies, events, shows, trips and many others will promote that. Our values of Excellence, Respect and Global Mindset will continue to guide us throughout the year, both inside and outside the classroom.

I am very much looking forward to seeing what our students will achieve this year and to working together with our families and staff to make 2026/27 a year of progress, opportunity and success.

Thank you, as always, for your trust and support

I would like to wish everyone a lovely weekend.

Warm regards,

Mr. Soto

MESSAGE FROM THE DIRECTOR

Y6

PRIMARY SCHOOL

Welcome back to Year 6! Year 6 had an incredible start to the new school year. We have enjoyed learning about each other and locating the different countries in the world we have previously lived in. The children have hit the ground running in English, the children have been playing with words, sorting them into different word classes and learning to use figurative language to write poems to describe their journey through life. Numbers have been the focus of Maths in Year 6, we have been working with numbers up to 10,000,000 thinking about what each digit is worth and why it might be important to get the place value of the digits correct.

Well done for a fantastic start Year 6, I am so excited for the rest of the year. It has been a delight to get to know you all this week!

Mrs Allemann

Well Done

PRIMARY SCHOOL - AN ACTIVE START!

SECONDARY SCHOOL

A Fantastic First Week Back!

It has been a wonderful start to the new school year in Secondary, and it has been fantastic to see our corridors full of energy and excitement once again. A particularly warm welcome goes to our new Year 7 students, as well as all of the new students who have joined our community this year. We have loved seeing them settle into their new routines, make new friendships and become part of the ISCS community.

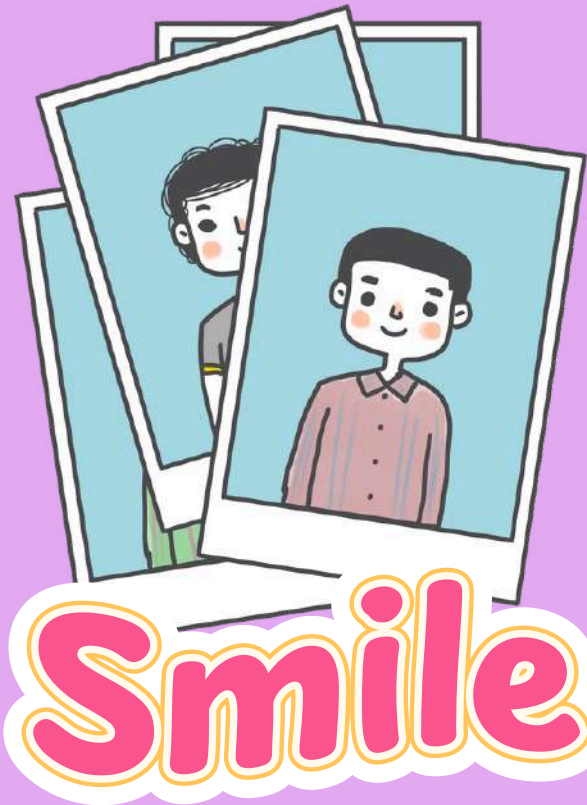

There has also been plenty of excitement around our Student Election campaigns, with candidates beginning to share their ideas and visions for the year ahead. We are looking forward to hearing more from our students as they campaign and, ultimately, make their voices heard through the election process.

Finally, we have had the opportunity to celebrate some excellent exam results achieved by our students. Their hard work, resilience and commitment have truly paid off, and we are incredibly proud of their achievements. Congratulations to all of our students who received results this summer – what a fantastic way to begin the new academic year!

Announcements and other news

Photo Day - Tuesday 25th of August
