MESSAGE FROM THE DIRECTOR

The importance of values in the age of AI

Dear ISCS families,

As Artificial Intelligence continues to transform our world, education must go beyond academic knowledge and technological skills. More than ever, we need to nurture the human qualities that technology cannot replace: values such as kindness, respect, integrity and empathy.
At ISCS, we believe that academic excellence and character development go hand in hand. As a Family School, we are committed to helping our students become not only successful learners, but also caring and responsible individuals.

This is why, during today's Whole School Assembly, we introduced our new Value of the Month: Empathy. Throughout November, we will encourage students to understand different perspectives, listen to others and recognise how their actions can positively impact those around them.

We also have some fantastic sporting achievements to celebrate! Congratulations to Alfred Renshaw (Year 6), who achieved first place in the boys' category, and Greta Klink (Year 5), who secured second place in the girls' category, at the international schools' Cross Country Competition in Zurich celebrated last weekend. Thank you also to Mr. Vasyl Perliyev (Prof) for preparing and taking students to this event.

We are also delighted to congratulate Fernanda McCammon (Year 10), one of our PAR student-athletes, who achieved an outstanding second place in the Advanced Novice U16 Girls category at the 34th Coupe du Rhône – Swiss Cup figure skating competition in Sion.

These achievements reflect the ambition, resilience and dedication we encourage at ISCS. As we embrace the opportunities of an increasingly technological world, let us remember that the values we instil in our children today will shape the people they become tomorrow.

I would like to wish everyone a fantastic weekend

Warm regards,

Mr. Soto.

Y5

It's been another busy and exciting week in Year 5!

In Maths, we've been exploring multiples, factors, square numbers and cube numbers, developing our understanding through a range of challenges.

In English, we've been thinking about what makes a great writer, with a particular focus on powerful word choices and sentence fluency. We've also kicked off our persuasive writing unit! The students will eventually be stepping into the Dragons' Den to convince the dragons which idea or invention has changed the world the most.

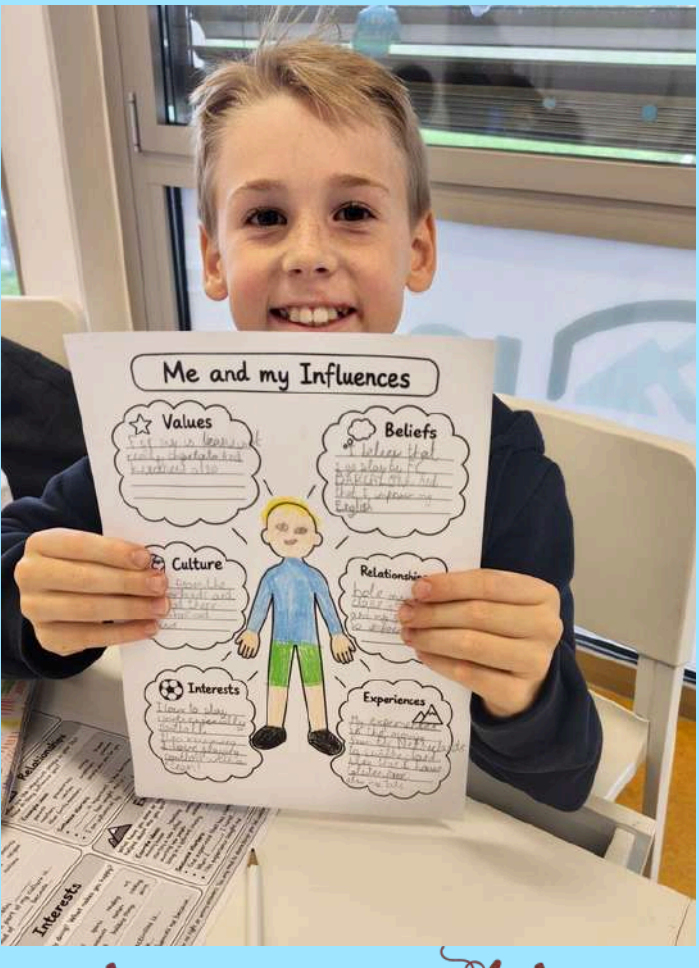

In Science, we've continued our learning about forces, investigating how they affect the world around us.

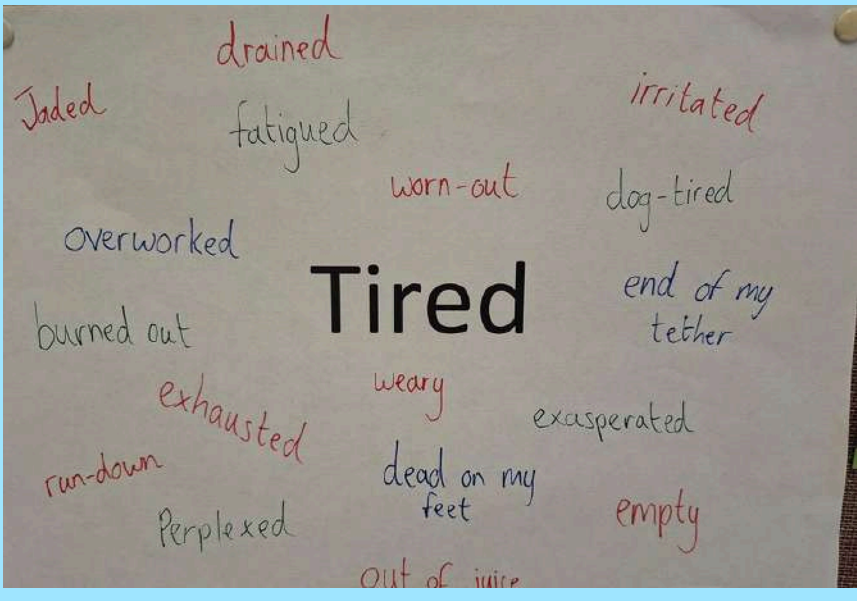

And, of course, we couldn't let Halloween pass without a little celebration! Year 5 looked a little different last Friday, with some fantastic costumes bringing plenty of Halloween spirit to the classroom! Not to be confused with Halloween but the Parent Association organised a brilliant event with all the children for Räbeliechtli. Thank you so much for organising a brilliant lantern carving event for the children!

Well done, Year 5, for another great week of learning!

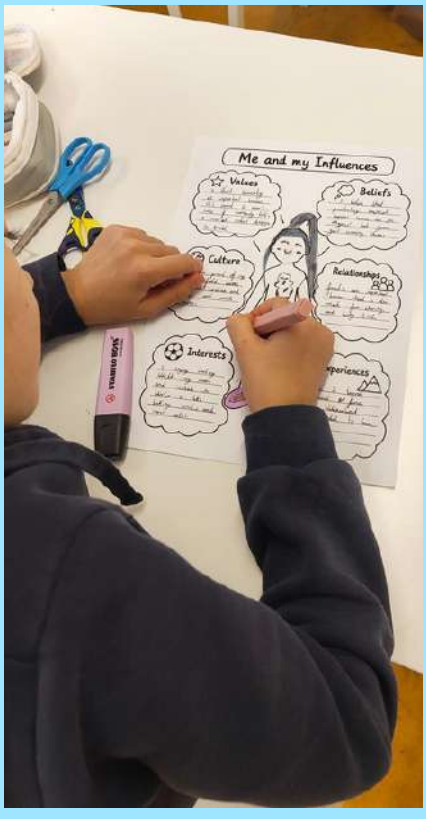

PRIMARY SCHOOL

Y5

PRIMARY SCHOOL - Räbelichtli

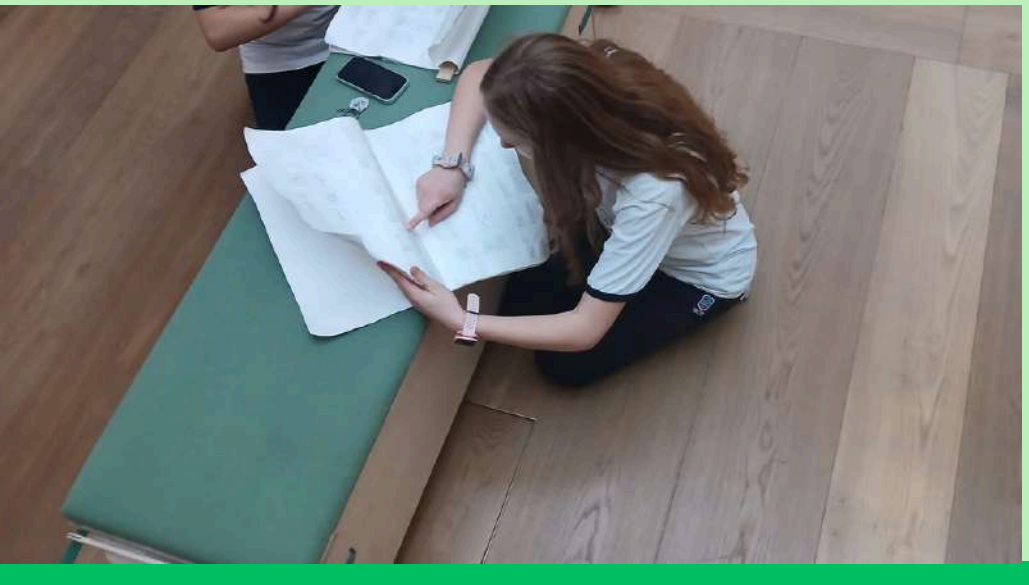

SECONDARY SCHOOL - MUSEUM VISIT

Y9's had the opportunity to experience the Kunsthaus collection and conducted visual recording through photography in connection to this term's theme 'Urban and Nature dialogues'.
We focus on the works at the Chipperfield building and particularly the Emil Buhrle Collection and the current exhibition 'Icons'.

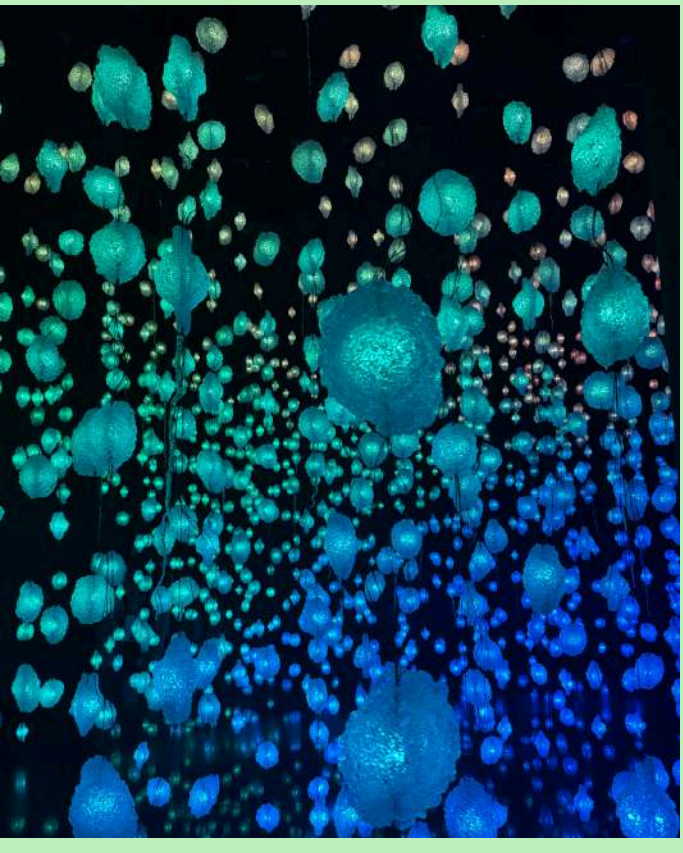

SECONDARY SCHOOL - MUSEUM VISIT

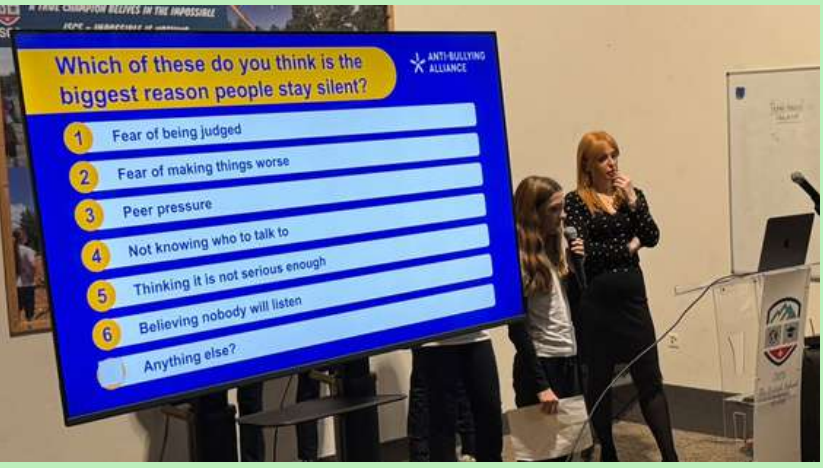

WHOLE SCHOOL ASSEMBLY

CROSS-COUNTRY RUNNING

Another fantastic day for ISCS Cross Country!

What a wonderful Saturday for our young athletes! On 31 October, our ISCS runners travelled to Inter-Community School Zurich (ICS) in Zumikon for the SGIS Cross Country Competition, joining primary and secondary school pupils from largest international schools across Switzerland.

With runners competing in different age categories, the event gave our students the opportunity to test their endurance against athletes from other schools, challenge themselves and enjoy a day of competitive sport.

And we had some brilliant results to celebrate! 🏆

🥇 1st place in the boys' race

🥈 2nd place in the girls' race

We are incredibly proud of our medal winners and every ISCS student who took part. Cross country requires stamina, determination and perseverance, and it was lovely to see our young runners giving their best, encouraging their teammates and enjoying the experience together.

A huge thank you to our teachers and coaches for organising and supporting our participation, and to ICS for hosting the competition and welcoming young athletes from across Switzerland.

SECONDARY SCHOOL – PAR PROGRAMME

Congratulations to our PAR student (Fernanda McCammon) who came 2nd in a prestigious figure-skating tournament in Sion! We couldn't be prouder of you!

Congratulations

ISCS

WINTER CAMP

4–8 JANUARY 2027

SPORTS

ARTS & CRAFTS

NATURE EXPLORATION

TEAM GAMES

TRIPS

CHF 480 / WEEK

All activities, trips, lunches & materials included.

HOW TO BOOK
